

Gerald J. Flattmann, Jr.

Gerald J. Flattmann, Jr. is a partner in the intellectual property litigation group. Mr. Flattmann has extensive experience in all aspects of patent litigation, prosecution, licensing, and counseling. His primary focus is biotechnology and pharmaceutical patent litigation and his clients have included companies at the forefront of these technologies. In addition to representing clients, Mr. Flattmann speaks regularly on topics relating to patent litigation and the protection of intellectual property. Mr. Flattmann was named a leading lawyer by Chambers USA, America's Leading Lawyers for Business in Intellectual Property: Patent (2007-2009) and in Life Sciences: IP/Patent Litigation (2009). According to Chambers, clients recognize him for his "outstanding work" and call him "one of the younger but most insightful hard-working litigators, with great instincts and who knows the business" who makes "accessible presentation of complex technical information."
